Dear Sir,

We are receiving plenty of applications in this department from selected HEMM Opr. (T) for change of their posting narrating personal difficulties.

We have decided their place of posting was decided considering the proportionate vacancies as per the numbers of candidates selected for different HEMM Opr. On the merit basis first at the same area and thereafter at adjacent area of same coalfields (CIC or korba). After fulfillment of the proportionate vacancy in the area/coalfield balance candidates were posted in other coalfields(CIC/Korba) as per balanced proportionate vacancy which was approved by the Competent Authority.

The request applications were discussed with the Competent Authority and we have received the advise as under. Henceforth, the request applications will be entertained from the same class of HEMM Opr i.e Shovel, Dumper, Drill, Grader, Pay-Loader ,Dozer Opr etc for change of their posting from CIC field to korba field and vice-versa on mutual basis only.

You are also advised to release the selected candidates to the post of different HEMM Opr. (T) of your area latest by 30.04.2017 and submit compliance report. The HEMM Opr who did not join after release, the list of such employees of your area may be sent to this department, so that the cases will be put before Competent Authority for cancellation of their selection.
